

Throughout the Coronavirus Pandemic, CHOMP Delivery has actively participated in donation opportunities for local non-profit organizations, given specials/discounts to help the community enjoy their favorite restaurants from a distance, and served as a bridge between local restaurants and the economy.

We would like to thank you if you have ordered from us in the past or are planning to in the future. To continue serving you (and your family/colleagues) during this uncertain time, we have partnered with the Iowa City Area Business Partnership Perks Program. ***By participating in their Partner Perks Program, you will receive a free delivery code available for one use per month (12 uses total) for one full year.*** This code will expire on July 31, 2021. Terms and conditions are as follows:

1. You must use your business email address to sign up for the program (on the sign-up form and when you create a CHOMP Delivery account)
2. Your business must be a member of the Iowa City Area Business Partnership
3. "Enjoy Vigorously!"

To sign-up to participate in the Partner Perks Program, please click on the following link:
<https://chompdelivery.typeform.com/to/gCIX5oHz>

Once you complete the form, you will need to create a CHOMP Delivery account through our website at www.chomp.delivery. All you need to do is click on "ACCOUNT" at the top of the screen, and then click on "REGISTER." This is where you will need to use your business email to sign up and any password you desire. If you have any issues with using your business email address, please contact monica@chomp.delivery.

Thank you for your support, and we look forward to serving you soon!

Sincerely,

Monica Buchholz

Marketing Manager | CHOMP, LLC
