COMMUNITY LEADERSHIP PROGRAM
IOWA CITY AREA BUSINESS PARTNERSHIP

TUITION ASSISTANCE APPLICATION

The Community Leadership Program (CLP) includes participants who represent the diversity of our community. This includes diversity of income and organizational affiliation. Financial need should not be a barrier to participation. To that end, CLP provides scholarships to a select number of applicants, based on financial need.

Please note that priority for tuition assistance will be given to:
- Employees of non-profit organizations
- Self-employed or unemployed individuals

Please check the scholarship(s) you wish to be considered for.

☐ The Iowa City Area Business Partnership's scholarship: this is worth $1,000, or 50% of member tuition. One is given each year, based on financial need.

☐ The Community Foundation of Johnson County scholarship: this is a full scholarship for people of color to participate in the program. Two are given each year.
